If coming up Rte 149, continue into Ft Ann Village. Just before the traffic light at Cumberland Farms Make a right.

At the end of the street, about 1.2 mile is the school. Field is right there.

If coming up Rte 4 from the south, continue into Village of Ft Ann. You will see Green Thumb Nursery on the left.

Field is right behind that. Take your first left by the little league field and that will take you into the school parking lot.
